**Hon. Paul Angelo Reyes**
*CS President*

Dear PUP Taguig Computer Society,

Good day!

We, the students of DIT 3-1, are pleased to invite the PUP Taguig Computer Society to be our official partner for our upcoming seminar entitled **"The Red Carpet Code: Preparing For The Big Tech Stage"** This event aims to introduce IT college students to the future of technology by exploring major innovations and emerging trends—equipping them with the knowledge and skills needed to navigate and adapt to the rapidly evolving digital landscape in both their academic journey and future professional careers.

In line with our upcoming collaboration, we respectfully request the support of the PUP Taguig Computer Society in sharing our official ITeach publication materials on the Computer Society's Facebook page. Additionally, we would like to request permission to use the same Facebook page to stream our event live. As part of this partnership, we will proudly feature the PUP Taguig Computer Society logo in all our event publication materials.
We believe that your partnership will greatly contribute to the success and wider reach of this seminar, and we look forward to the opportunity to work together in empowering and inspiring the future of IT professionals.

Thank you very much for considering our invitation. We are excited for the possibility of collaborating with the PUP Taguig Computer Society.

Respectfully yours,

Best regards,

Mr. Paul Angelo Reyes
